## EMBROIDERY

We have years of experience with prices that are hard to beat. Whether for seasonal orders of several hundred or smaller orders requiring quick response, we have the capabilities to handle it all. Just contact your Account Representative to get started.

## REQUIREMENTS

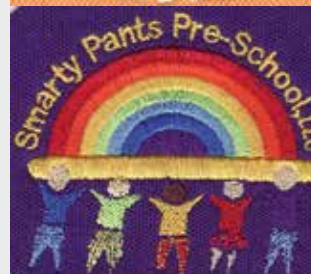

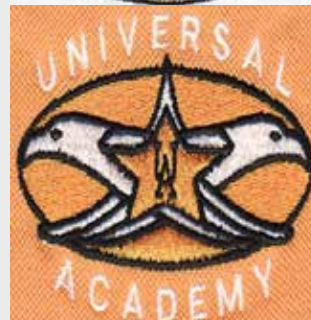

- \* Sample(s) of the actual embroidery in all needed color ways must be provided to your Account Rep or mailed to our St. Louis office (Attn: Mark Eyre).
- \* An embroidery file in Tajima format with a DST file extension is helpful.

- \* Thread brand(s) and color numbers currently used for the design are needed. If unknown, please provide Pantone (PMS) numbers for each color. If thread and Pantone information is unavailable, we will do our best to match your provided samples.

## DIGITIZATION / PRE-PRODUCTION APPROVAL SEW-OUTS

- \* All new embroidery designs, revisions to existing designs or newly added fabric/color ways require customer approval of pre-production sew-outs on all fabric/color ways.
- \* Digitization of new or revised designs and/or pre-production sew-outs for seasonal orders will typically be mailed for approval in an average of three weeks.
- \* Digitization of new or revised designs and/or pre-production sew-outs for quick response orders will generally be mailed out for approval within 2 weeks. Note: Additional time for sew-outs may be required if thread needs to be special ordered.

## SHIPPING PROGRAM

Since 2011 we have been helping our customers deal with the shipping costs on their early ship seasonal orders.

- \* Lower freight costs due to Elder's ability to negotiate large discounts.
- \* Deferred billing on shipping costs. We pay the truck line and add the charges to your invoice (which is not payable until August).
- \* You do not pay the truck line at the time of delivery.
- \* We also get no less than three bids from the truck lines when your shipment is ready.
- \* There are certain times when a truck line may want to give an additional discount in order to ensure getting the freight as they may need to move trucks or trailers to your area and would rather move them.

If you would like to know more information or would like to sign up for this program, Please speak to your Account Representative or call Customer Service at 1-800-829-8880.
